

Burn Baby Burn

Tom Mody

In the garden of Eve now baby
Where the sinners lay low
Playing hide and seek now baby
Never let them show

It's your den of secrets baby
It's your field of thieves
It's a garden of snakes now baby
It's a wretched scene

It's no fountain of youth
No pillar of truth

And it's going to
Burn baby burn
Burn baby burn
Burn baby burn

You keep dodging the flames now baby
As the embers glow
It's a pit of fire now baby
Can you stop the flow

Life's a game of righteous baby
But you choose to deceive
In your naked garden now baby
You can play the queen

It's no fountain of youth
No pillar of truth

And it's going to
Burn baby burn
Burn baby burn
Burn baby burn
