

County Route 59

Tom Mody

Whisky and Thunder
I'm spellbound
I'm Under
Cocaine and lightning
Dark passion
Igniting

Chasing the darkness
To Morning
And the sunlight warming the truth
Of our Burden
We're beasts
I'm Certain

[chorus]

I'm not the man I left behind
On County Route 59
This girl she ain't my kind
But she's got me driving blind
On County Route 59

Diamonds and aces
Bad deals
In drunk places
Bullets and liars
Dark rage
and desires

Facing the moment
The choices
And the voices muffled in the rains
Of the fire
I'm triggered
I'm wired

[repeat chorus x 2]

I'm not the man I left behind
On County Route 59
He's been left for dead
It could have been me instead

I'm not that man I left behind
On County Route 59
She just calls it a wild ride
Wish I never had those aces high
