

Lion Eats Cage

Tom Mody

In the fire of anger.
In the flames of danger there's a beast inside.
In this great oppression.
In the storm's direction
we unleash the pride, we tear the hide.

Insane... is the life we're living.
Insane... all the unforgiving.

[chorus]
Courageous. Contagious.
When lion east cage
Contorted. Distorted.
Can't control my rage.
Unbridled. Unrivaled.
When lion eats cage.
Evolution. Revolution.

To the great pretender.
We shall not surrender or heed no pain.
In the streets of rumble.
Disconnected jungles
There's some hell to pay, revenge to slay.

Insane... what stands between us..
Insane... all the lies and mistrust.

[repeat chorus]

Denial. Revival
Dishonored. Repowered.
Constricted. Uplifted.

[chorus]
Courageous. Contagious.
When lion east cage
Contorted. Distorted.
Can't control my rage.
Unspoken. Unbroken..
In your gilded cage.
Revelation. Vindication.
