

Get'cher Mojo

Hit knocked up on the blind side
Almost down for the count
Ring-a-ding ding on the inside
Gotta get your whitts about

Get'cher Mojo

Crash, boom bang
Rat-a-tata ding dang
Crash, boom, bang
And more of the same

Crash, boom bang
Get'cher Mojo
Crash, boom bang

Mo Jo
You've got to clear your mind
Mo Jo
And just flow with the rip tide
Mo Jo
You've got to stay in the groove
Mo Jo
You're gonna make the Earth move

Get'cher Mojo
Get'cher Mojo

Crash, boom bang
Ding-a-ling dang
Crash, boom bang

Hit knocked up on your blind side
Maybe down but not out
Ram-a-lama slam it's your prime time
Never, ever, ever had a doubt

Get'cher Mojo

Crash, boom, bang
Get'cher Mojo
